TO INVESTORS.

The Northern Pacific Railroad Company having determined to close its 7-30 First Mortgage Gold Loan, and thereafter to pay no higher rate of interest than 6 per cent on further issues of its bonds, THE LIMITED REMAINDER OF THE 7-30 LOAN IS NOW BEING DISPOSED OF through the usual agencies.

This affords a desirable opportunity to persons wishing to reinvest July interest or dividends.

The Company now has more than 500 miles of its road built and in operation, including the entire Eastern Division connecting Lake Superior and the navigation of the Missouri River; the work of construction is progressing satisfactorily; the Company has earned title to nearly Ten Million Acres of its Land Grant, and sales of lands have thus far averaged \$5.66 per acre.

All marketable securities are received in exchange for Northern Pacific.
