GRAND INDUSTRIAL EXHIBITION, MECHANICS' INSTITUTE

OF SAN FRANCISCO, CALIFORNIA Opening on August 18th, 1874.

The Board of Managers herewith announce that a Grand Industrial Fair will be held in the city of Sau Francisco for 30 days, opening on August 18, 1874. In view of the increasing commercial and manufacturing importance of Sau Francisco, its contiguity to and close connection with the various countries bordering on the Pacific, the managers have constructed a Pavillon having a door area of 150,000 feet, and have invited to It all who are disposed to come and exhibit. All exhibitors will be placed on the same footing. Motive power will be furnished free.

The building will be open day and evening, and every facility will be extended to exhibitors and visitors. Application for space must be made without delay to the Secretary of the Board of Managers, Mechanics' Institute, San Francisco, and all inquiries will be answered and forormation extended promptly.

No epsec can be secured unless applied for before the 20th of July next.

J. H. CULVER, Sec'y.
