THE CHAMPION SILVER-STEEL

SPRING MATTRESS, now greatly improved, has been before the public for several years, and continues to occupy its unrivalled nosition in the trade, as the BEST BED ever produced. It presents the rich and elegant appearance of silver, and is the softest, realiest, chapest, and most durable Spring Bed in market, wholly composed of tenachus tempered steel springs, an united that the pressure is equally distributed. Easily litted, corned, or rolled up. Both sides silke. An trame, no wnodes sils, no to stuffing, no straps. May be used on door without begistered. No under bed required. Needs only baif the thickness of hair mattress. More springs for your money in this bed than in any other. Unequalled for hotels. Any elses made to order. Send for pictorial circular. Retail price of double bed, 3id. Shipped, by sinkle bed or quantity, to 3il parts of the world. Liberal discount to the trade. Sold by reading dealers in all parts of the country. Refer to Phelps, Doremus & Corhett, J. T. Allen & Co., New York, Gould & Co., Pallsdelphra, Pa., Gilbert & Sons, Jorwica, Conn., Bowdich & Co., New Haven, Conn., and many other. Ut-AMPION SPRING MATTRESS CO., Makers, 245 Canal St., near Broadway, New York.

PATENTS

acted as solicitors of patents in the United States and foreign countries for more than a quarter of a cen More than FIFTY THOUSAND inventors have availed themselves of their services. All patents secured through this agency receive a special notice in the SCIENTIFIC AMERICAN, which frequently attracts purchasers for the patent.

Inventions examined, and advice as to patentability free Patents obtained in the best manner, and with as lit-

tle delay as possible. Caveats prepared from either model or drawings, and

filed in the Patent Office at short notice.

Special examinations as to the patentability of inventions made, at the Patent Office, on receipt of model or drawing and description; cost for this search and re-

Trade Marks.—The necessary papers for securing protection to manufacturers and merchants in this country and abroad are prepared at this office.

Design Patents, for protecting artists and designers of any new ornamental work, are quickly and cheaply obtained through this office.

Copyrights obtained. Foreign Patents are solicited in all countries where patent laws exist. Pamphlets, containing the cost and full particulars, mailed on application.

Canada Patents.—Canada is one of the best countries for patents. The cost depends upon the length of time for which a patent is desired. Full particulars by mail

on application.

We shall be happy to confer with inventors, examine their models and drawings, and advise with them as to obtaining patents without consultation fee. Every kind of information pertaining to patents, at home or abroad checrfully given.

Send for pamphlet, 110 pages, containing laws and f directions for obtaining patents. Address
