Munn & Co's Patent Offices. The Oldest Agency for soliciting Patents in the United States.

THIRTY YEARS' EXPERIENCE. MORE PATENTS have been secured through this agency, at home and abroad, than through any other in the world.

They employ as their assistants a corps of the most experienced men as examiners, specification writers, and draughtsmen.

SIXTY THOUSAND inventors have availed themselves of Munn & Co's services in examining their inventions and procuring their patents.

MUNN & CO., in connection with the publication of the SCIENTIFIC AMERICAN, continue to examine inventions, confer with inventors, prepare drawings, specifications, and assignments, attend to filing applications in the Patent Office.

A special notice is made in the SCIENTIFIC AMERICAN of all inventions patented through this agency.

Patents obtained in Canada, England, France, Belgium, Germany, Russia, Prussia, Spain, Portugal, the British Colonies, and all other countries where patents are granted.

Copies of Patents. Persons desiring any patent issued from 1836 to November 28, 1867, can be supplied with official copies at reasonable cost.

A copy of the claims of any patent issued since 1838 will be furnished for \$1.

When ordering copies, please to remit for the same as above, and state name of patentee, title of invention, and date of patent.

A pamphlet, containing full directions for obtaining United States patents, sent free. A handsomely bound Reference Book, gilt edges, contains 140 pages and many engravings and tables important to every patentee and mechanic.
