Unemployed Engineers & Machinists can earn from \$100 to \$300 a month by selling, in their own neighborhood, the best Engine Governor ever made.

Indispensable to the Library, Clergyman, Lawyer, Physician, Editor, Teacher, Student, and all of any calling in life who desire knowledge.

ENCYCLOPEDIA BRITANNICA. Ninth Edition.--American Reprint.

This great work is beyond comparison superior in its elaborate and exhaustive character to all similar works.

This issue is the Ninth revision in a space of over one hundred years since its inception, and this reprint, a copy in every particular of the British Edition now in course of publication, is the best and cheapest work ever offered to the American people.

The articles are written in a most attractive style, and the quantity of matter in each volume is one-third greater per volume than in any other Cyclopædia sold at the same rates.

The work contains thousands of Engravings on Steel and Wood, and is printed from entirely new type made expressly for it.

Price per vol., extra cloth binding..... \$5.00. In half Turkey Morocco, extra..... \$7.00.

Sold only by subscription. A neat Pamphlet, giving specimens of pages, cuts, full-page illustrations, list of contributors, etc., will be mailed gratis to applicants.

J. M. STODDART & CO., Publishers, 723 Chestnut Street, Philadelphia.

H. H. KEY, Publisher, Room No. 8, 120 Broadway, N. Y.

Send \$3 a week in your own town. Terms and \$5 outfit \$100 free. H. HALLETT & CO., Portland Maine.

CAVEATS, COPYRIGHTS, TRADE MARKS, ETC.

Messrs. Munn & Co., in connection with the publication of the SCIENTIFIC AMERICAN, continue to examine improvements, and to act as Solicitors of Patents for Inventors.

In this line of business they have had over THIRTY YEARS' EXPERIENCE, and now have unequalled facilities for the preparation of Patent Drawings, Specifications, and the Prosecution of Applications for Patents in the United States, Canada, and Foreign Countries.

We send free of charge, on application, a pamphlet containing further information about Patents and how to procure them; directions concerning Trade Marks, Copyrights, Designs, Patents, Appeals, Reissues, Infringements, Assignments, Rejected Cases, Hints on the Sale of Patents, etc.

Foreign Patents.—We also send, free of charge, a Synopsis of Foreign Patent Laws, showing the cost and method of securing patents in all the principal countries of the world.

Copies of Patents.—Persons desiring any patent issued from 1836 to November 26, 1867, can be supplied with official copies at reasonable cost, the price depending upon the extent of drawings and length of specifications.

Any patent issued since November 27, 1867, at which time the Patent Office commenced printing the drawings and specifications, may be had by remitting to this office \$1.

A copy of the claims of any patent issued since 1836 will be furnished for \$1.

When ordering copies, please remit for the same as above, and state name of patentee, title of invention, and date of patent.

A pamphlet, containing full directions for obtaining United States patents, sent free. A handsomely bound Reference Book, gilt edges, contains 140 pages and many engravings and tables important to every patentee and mechanic, and is a useful hand book of reference for everybody. Price 25 cents, mailed free.
