PATENTS.

MESSRS. MUNN & CO., in connection with the publication of the Scientific American, continue to examine Improvements, and to act as Solicitors of Patents for Inventors.

In this line of business they have had thirty-five years' experience, and now have mequaled facilities for the preparation of Patent Drawings, Specifications, and the prosecution of Applications for Patents in the United States, Canada, and Foreign Countries. Messrs. Munn & Co. also attend to the preparation of Caveats, Copyrights for Books. Labels, Reissues, Assignments, and Reports on Infringements of Patents. All business intrusted to them is done with special care and promptness, on very reasonable terms.

A pamphlet sent free of charge, on application, containing full information about Patents and how to procure them: directions concerning Labels. Convrights. Designs, Patents, Appeals, Reissues, Infrigements, As signments, Rejected Cases, Hints on the Sale of Patents, etc.

We also send. free of charge a Synopsis of Foreign Patent Laws, showing the cost and method of securing patents in all the principal countries of the world.

MUNN & Co., Solicitors of Patents,

37 Park Row, New York.
BRANCH OFFICE.—Corner of F and 7th Streets, Washington, D. C.

The Cyclopaedia War.

The month of July, 1891, witnesses the completion of the largest and most important literary work this country and the century have seen. It is the Library of Langueryal Knowledge, they country and the century have seen. It is the Library of Langueryal Knowledge, the 1884 and onefifth its cost, and 20 per cent. more than Johnson's Lyclopacifi, at a little more than onefifth its cost, and 20 per cent. more than Johnson's Lyclopacifi, at a little more than onefifth its cost, and 20 per cent. more than Johnson's Lyclopacifi, at a little more than onefifth its cost, and 20 per cent. more than Johnson's Lyclopacifi, at a little more than onefifth its cost, and 20 per cent. more than Johnson's Lyclopacifi, at a little more than onefifth its cost, and 20 per cent. more than Johnson's Lyclopacifi, at a little more than onefifth its cost, and 20 per cent. more than Johnson's Lyclopacifi, at a little more than onefifth its cost, and 20 per cent. The language is a little more than onefifth its cost, and 20 per cent. The language is a little more than onefifth its cost, and 20 per cent. The language is a little more than onefifth its cost, and 20 per cent. The language is a little more than onefifth its cost, and 20 per cent.

Chambers Language is a little more than any other Lyclopacities and the language, as standing at the very front of great aggregations of knowledge, and better adapted than any other Lyclopacities.

Chambers Language is a little with a language in the language is a little with a little with a language is a little with a language is a little with a language is a little with a language complete to a language corporation of American editors and writers have

for the cost of any similar work which has preceded it.

PriC 3 Of the 15 volumes, complete, in extra cloth binding, \$15.00. In half Russia, glitton's extra cloth

A discount of 10 per cent. will be allowed to any one ordering at one time three or more sets of the Cyclopædia; and a discount of 15 per cent. will be allowed to any one ordering five or more sets at one time. time. As a special inducement to our friends and patrons to go to work promptly and vigorously, each doing what he can for the dissemination of universal knowledge, we propose to distribute \$10,000 in special premiums as follows, in addition to the regular discount to clubs;

what he can for the dissemination of universal knowledge, we propose to distribute \$10,000 in special premiums as follows, in addition to the regular discount to clubs;

\$5,000 Reward

to be distributed equally among the first 500 cub agents who send us clubs of not less than five subscribers, after June 15 and before September 1.

\$5,000 Reward

in addition to the first \$5,000 to be distributed among the 100 club agents who, during the same time, send us the largest number of subscribers, after he amount to be distributed proportionately to the whole number of subscribers which each of the 100 club agents may send us.

The names of the subscriber must in every case be forwarded to us. The first \$5,000 named will be distributed as specified as rapidly as the orders are received, and the remaining \$5,000 will be distributed proportly on Sept. 1. The names of the persons receiving these rewards will be printed, with the amounts received by each, and the list sent to all the club agents entering into competition for them. Subscribers must be actual purchasers for individual use, to entitle the club agent to the rewards under this offer, and not booksellers or agents who buy to sell again.

Persons desiring to raise clubs may send to us at once for sample volumes, if they desire, in the various styles of binding, paying us 75 cents for the volume in cloth, \$1,00 for the volume in half Russia, sprinkled enters and \$1.35 for the volume in library sheep. Orders for the full set will be filled by us with the utmost bring places, with in our ability to manufacture, beginning not later than July 10, orders being filled in the order of their receipt by us.

Specimen pages of the "Library of Universal Knowledge" will be sent free upon request. Descriptive catalogue of our large list of standard publications, with terms to clubs, and illustrated panyletted describing book making and type setting by steam, will be sent in postage stamps.
