IMPORTANT!!!

I want it distinctly understood that I am prepared to offer to the public greater inducements to buy PIANOFORTES FOR HOLIDAY PRESENTS than ever before. Why buy grand, square and upright pianos and pianofortes from manufacturers such enormous profits. Before you decide to purchase a Piano elsewhere, stop! Write at once for valuable information. Tricks of the trade where the cost comes in; how a \$375 Piano cost \$200 through agents—profits from \$50 to \$70 made on a single sale. A \$300 Piano sold to one man for \$500 to his neighbor, the same Piano, precisely, for \$350, to another for \$600. Is this just? I have one price, no agents, sales are made direct, my catalogue has notorious prices—ONE PRICE TO ALL.

AN ELEGANT GIFT

What makes a more beautiful gift than a SPARKLING DIAMOND? We can think of nothing, and with this idea in mind, we have during the dull months of the past season, employed our Diamond Setters in making up a line of SOLID GOLD JEWELRY, and using our justly celebrated French Diamonds as settings. If you desire a beautiful and permanent gift for yourself or wish to make a present to your friend, now is your chance to procure a limited number of the articles illustrated in this advertisement at a MERE NOMINAL PRICE.

DESCRIPTION OF ARTICLES.—No. 1, a Solid Gold Ring, solitaire, French Diamond. No. 2, a Solid Gold Ring, seven French Diamonds. No. 3, a Solid Gold Ring, three French Diamonds. No. 4, a Solid Gold Ring, one French Diamond. No. 5, a Solid Gold Ring, three French Diamonds. No. 6, a Gold Pearl Ring, one French Diamond. No. 7, a Gentleman's Shirt Stud, Solid Gold setting and spiral single French Diamond. No. 8, a Pair of Ear Drops, French Diamonds. Solid Gold setting and wires. No. 9, a Remedy, all the above described goods are SOLID GOLD. We wish to caution you against the many firms who are advertising cheap and worthless jewelry. Our goods are just as represented and if you are unsatisfied after receiving anything we advertise your money will be refunded. Our prices for the above described articles, shipping charges prepaid, to any address in the United States, until March 31st, 1882, will be as follows: (provided, however, that when you order you will enclose with this advertisement and enclose with the money you send us.) We will send either No. 1, 6, or 8, upon receipt of \$1.00; or, upon receipt of \$2.15, we will send either No. 2, 3, or 7; or, upon receipt of \$3.50, we will send No. 4; or, upon receipt of \$4.00, we will send No. 5. First object in offering a few styles of our Solid Gold jewelry at the above nominal price is to give our regular customers an opportunity to purchase our goods. We can only supply a limited number of these goods at the prices named, and to protect our selves against jewelers and others ordering in quantities, we will insert this advertisement but one time in this paper, hence, require you to send us your order and send to us, with your order, that we may know you are entitled to the benefit of this offer. Remember, we will not send more than two articles for each advertisement sent us. You can make a selection of any one or two articles, and order them at above price, but should you wish to purchase more, we will furnish them at prices given in our catalogue which we will mail you at the time we forward your order. We could never make the above offer unless we felt sure that you would be so highly pleased with our goods, that you will not only become a regular customer yourself, but will influence your friends to purchase from us by showing the beautiful jewelry we send you, at the same time exhibiting our catalogue to them, and in looking it over, we know by experience ten chances to one they will find something they desire. We could never make the above offer unless we felt sure that our goods are of our own importations, they are made from the very best stones and are cut precisely as the national gem; they are very brilliant, and in fact, would defy anyone to detect them from the real Diamond. If you order a ring with a hand-cut diamond engraved any initials, name, motto or sentiment on the inside without extra charge. To ascertain the size ring you wear, cut a slip of paper so as to just meet around your finger and send to us always state in your order what number you wish. Our advertisement sent out and send to us before March 31st, 1882, as it will not appear again. Send money by registered letter, money order, or draft. Postage Stamps taken. As to our reliability we are well known throughout the U. S. or you can write to any Bank or Express Co., or have your friends call at our elegant saleroom in this City.
