Books! 2 1/2 Cts. Each. Books!

This Unparalleled Offer, By an Old-Established, Well-Known, and Reliable Publishing House, is worthy the attention of every man, woman and child in America who can read! Some months since we advertised ten useful books for 25 cents. The success of that offer has encouraged us to now issue another collection, nearly double the size of those previously advertised, and much neater and handsomer. The following new books are each published in neat pamphlet form, handsomely illustrated, and printed from large, clear type on fine paper. They are not little short stories, but are valuable books—complete long novels and other works by the foremost writers of Europe and America, and in cloth-bound form would cost at least \$1.00 each. We will send the entire list, Ten in Number, by mail, post-paid, upon receipt of only 25 cents in postage stamps. The titles are as follows:

1. ENOCH ARDEN AND OTHER POEMS. By Alfred Tennyson. This charming book contains all the finest works of the celebrated Poet Laureate of England.
2. DISTINGUISHED PEOPLE. This most interesting work contains the histories of all the celebrated Statesmen, Authors, Poets, Editors, Clergymen, Financiers, etc., of the present day, illustrated with life-like portraits.
3. THE HISTORY AND MYSTERY OF COMMON THINGS. A complete Encyclopedia of useful knowledge, describing the process of manufacture of all the common and familiar things which we see every day around us, likewise the culture and manner of growth of all kinds of foreign fruits, nuts, spices, etc., with illustrations.
4. THE LARIEL DISH. A novel. By Miss Mulock, author of "John Halifax, Gentleman," etc.
5. AMOS BARTON. A novel. By George Eliot, author of "Adam Bede," "The Mill on the Floss," etc.
6. CAPTAIN ALICOR'S LEGACY. A novel. By M. T. Calder, the celebrated American author. (of "East Lynne," etc.)
7. HENRY ARKELL. A novel. By Mrs. Henry Wood, author of "The Heart's Secret," etc.
8. RETRIBUTION; or, the Mystery of the Mill. An American novel. By Margaret Blount.
9. A GILDED SIN. A novel. By the author of "Dora Thorne," "Madeline's Lover," etc.
10. BLUE EYES AND GOLDEN HAIR. A novel. By Annie Thomas, author of "Playing for High Stakes," etc.

Remember, we will send all the above books by mail, post-paid, upon receipt of only Twenty-five cents in postage stamps. Remember also that these books are nearly double the size of those formerly advertised, and much handsomer in typography and execution, while the price remains the same. Was there ever such a chance for getting so much for so little money before? Twenty-five cents invested in these books now will furnish enjoyment for the whole family for months to come, to say nothing of the valuable information you will derive from them. **Just think of ten valuable books for 25 cents! Don't miss the chance! Send for them, and if you can conscientiously say that you are not perfectly satisfied, we will refund your money and make you a present of them!** Not less than the entire list of ten will be sold. **For \$1.00 we will send five sets of the ten books!** therefore by showing this advertisement and getting four of your neighbors to buy one set each, you can get your own books free. As to our reliability, we refer to any newspaper publisher in New York, and to the Commercial Agencies, as we have been long established and are well-known. Address: **F. M.
