THE PLATTSMOUTH BRIDGE.—FULL description of the new and important railway bridge constructed over the Mississippi River at Plattsmouth, Neb., from plans by Chief Engineer George S. Morrison. Location. General description. Foundations. Masonry. The superstructure. Viaducts. Deck spans. Channel spans. Steel. Floor. Illustrated with eight figures, showing: perspective view of bridge; vertical sections; caissons; piers; and map showing location of bridge. Contained in SCIENTIFIC AMERICAN, Supplement, No. 27. Price 10 cents. To be had at this office and from all newsdealers. Another article (illustrated) on the same subject may be found in SUPPLEMENT, No. 27. Price 10 cents.

PATENTS.

MESSRS. MUNN & CO., in connection with the publication of the SCIENTIFIC AMERICAN, continue to examine improvements, and to act as Solicitors of Patents for Inventors.
 In this line of business they have had *thirty-five years' experience*, and now have *unequaled facilities* for the preparation of Patent Drawings, Specifications, and the prosecution of Applications for Patents in the United States, Canada, and Foreign Countries. Messrs. Munn & Co. also attend to the preparation of Caveats, Copyrights for Books, Labels, Reissues, Assignments, and Reports on Infringements of Patents. All business entrusted to them is done with special care and promptness, on very reasonable terms.
 A pamphlet sent free of charge, on application, containing full information about Patents and how to procure them; directions concerning Labels, Copyrights, Designs, Patents, Appeals, Reissues, Infringements, Assignments, Rejected Cases, Hints on the Sale of Patents, etc.
 We also send, *free of charge*, a Synopsis of Foreign Patent Laws, showing the cost and method of securing patents in all the principal countries of the world.
MUNN & CO., Solicitors of Patents,
 261 Broadway, New York.
 BRANCH OFFICE—Corner of F and 7th Streets, Washington, D. C.

Do You Want a House?

Good Houses. 183 PRIZE Cheap Houses. House PLANS Prairie Houses. \$250 to Farmers' Houses. \$250 to Pioneers' Houses. \$4,000

Nine Large Cash Prizes offered Dec. 1, for best Plans of Country Houses, to cost from \$400 to \$4,000 each, to best combine Economy, Convenience, Comfort, good appearance, etc., etc., brought out 183 different plans from all over the country, WEST, EAST, NORTH, SOUTH, and engaged the combined skill of Architects, Builders, Carpenters, Farmers, and Farmers' Wives. No such concentration of the best effort, talent, and practical information as to what is wanted in FARM HOMES, to make them comfortable, labor-saving, convenient, and economical, was ever before brought together.

Many of the best of all these plans with engravings, elevations, rooms, specifications, materials, instructions for building, etc., will now be published in consecutive numbers of the *American Agriculturist* throughout 1882, and every subscriber will have them.

The number for March, contains the best *Pioneer's House*, costing \$250 to \$300, with engravings and all details. That number will be invaluable to Millions of *New Settlers*, of limited means, locating or going West.

Every succeeding number of the *American Agriculturist* will give one or more of the Prize Plans for HOUSES for ALL CLASSES, costing various sums, from \$400 to \$4,000, and the numbers will be of GREAT VALUE to all wanting a new House, small or large, or to improve Houses already built.

Besides the above, the *American Agriculturist* gives a vast amount of Original, Useful, Reliable Information, for every department of Rural and Village life and labor—for the *Farm, the Garden, and the Household*, illustrated with about 1,000 ENGRAVINGS annually. Vol. 41 began Jan. 1. Subscriptions can begin at any time.
 TERMS: \$1.50 a year. Four copies \$5.00. Single numbers 15 cents.

CUTLER'S POCKET INHALER

AND Carbolate of Iosine
INHALANT.
 A certain cure for Croup, Bronchitis, Asthma, and all diseases of the Throat and Lungs—even Consumption—if taken in season. It will break up a Cold at once. It is the **King of Cough Medicines**. A few inhalations will correct the most **Offensive Breath**. It may be carried as handily as a pen-knife, and is guaranteed to accomplish all that is claimed for it.
 Patented through the agency of the SCIENTIFIC AMERICAN in 1873, this Inhaler has since had a larger and more extensive sale than any Medical Instrument ever invented.
 It is approved by physicians of every school, and endorsed by the leading medical journals of the world.
Over 300,000 in use.
 Sold by Druggists for \$1.00. By mail, \$1.25.
