Advertisements.

Inside Page, each insertion - - - 75 cents a line. Back Page, each insertion - - - \$1.00 a line. (About eight words to a line.) Engravings may head advertisements at the same rate per line, by measurement, as the letter press. Advertisements must be received at publication office as early as Thursday morning to appear in next issue.

Advertisement for Silver Finish saw blades by J. A. Fay & Co., Cincinnati, Ohio, U.S.A. Includes text: 'GET THE BEST AND CHEAPEST. Silver Finish. J. A. FAY & CO. Exclusive Agents and Importers for the United States, of the CELEBRATED PERIN BAND SAW BLADES, warranted superior to all others in quality, finish, and uniformity of temper, and general durability. One Perin Saw outwears three ordinary saws. INSTRUCTOR WANTED in the Montclair, N. J. Public School. Must have some idea of mechanical drawing, and tact in imparting general knowledge in wood and iron working to the young. Address or apply to SAML. CRUMP, Montclair, N. J.'

Advertisement for Remington Type-Writer. Includes text: 'REMINGTON TYPE-WRITER. Warranted. Satisfaction guaranteed. Type-Writer Supplies. Send for circulars. Address E. REMINGTON & SONS, Manufacturers, or WYCKOFF, SEAMANS & BENDIS, Sole Agents, 281 and 283 Broadway, New York.'

ELECTRIC POWER FOR CARS AND AIR-SHIPS. Patented. Will sell part. E. R. MOORE, St. Peter, Minn.

Advertisement for Pop Hammers. Includes text: 'POP HAMMERS. Punching Presses. Dies and other tools. The manufacture of all kinds of SHEET METAL GOODS, DROP FORGINGS, etc. Stiles & Parker Press Co., 1124 Broadway, New York.'

MOLECULAR WEIGHTS.—BY EDWARD Vogel. In this very elaborate paper is presented a new method of determining the exact values of molecular weights, and one which is of great practical importance, as the weights are here derived directly from solids without any reference to gases, so that a means is afforded for testing the correctness of the theories that are built on the behavior of gases and play so prominent a part in the determination of atomic weights. Contained in SCIENTIFIC AMERICAN SUPPLEMENT, No. 317. Price 10 cents. To be had at this office and from all new-dealers.

Advertisement for National Tool Co., Manufacturers of Machinists Tools. Includes text: 'NATIONAL TOOL CO., MANUFACTURERS OF MACHINISTS TOOLS. WILLIAMS PORT, PA. PLANERS A SPECIALTY.'

Advertisement for Superiority Proved Sewing Machine. Includes text: 'SUPERIORITY PROVED THE SIMPLEST & BEST SEWING MACHINE IS THE LIGHT—RUNNING—NEW HOME Perfect in every particular. 200,000 sold yearly. NEW HOME SEWING MACHINE CO., 30 Union Square, N. Y. Chicago, Ill., Orange, Mass., or Atlanta, Ga.'

MINERAL WOOL. This fireproof and indestructible material successfully prevents loss of heat by radiation, keeps frost from water pipes, deadens sound, checks spread of fire in walls, partitions, floors of dwellings. 25 cts. per cubic foot. U. S. MINERAL WOOL CO., 16 Cortlandt St., N. Y.

Advertisement for Munson Brothers' Patent Spindles. Includes text: 'PATENT HOLLOW NICKEL SPINDLE AND U. S. TRADE MARK. MUNSON BROTHERS. 309 N. 3rd St. PHILADELPHIA. PA. U. S. A.'

Advertisement for Patents. Includes text: 'PATENTS. MESSRS. MUNN & CO., in connection with the publication of the SCIENTIFIC AMERICAN, continue to examine Improvements, and to act as Solicitors of Patents for Inventors. In this line of business they have had thirty-five years' experience, and now have unequalled facilities for the
