A printed copy of the specification and drawing of any patent in the foregoing list, also any patent issued since 1866, will be furnished from this office for 25 cents. In ordering please state the number and date of the patent desired, and remit to Munn & Co., 261 Broadway, New York. We also furnish copies of patents granted prior to 1866; but at increased cost, as the specifications, not being printed, must be copied by hand.

Canadian Patents may now be obtained by the inventors for any of the inventions named in the foregoing list, at a cost of \$40 each. For full instructions address Munn & Co., 261 Broadway, New York. Other foreign patents may also be obtained.

Advertisements.

Inside Page, each insertion - - - 75 cents a line.
Back Page, each insertion - - - \$1.00 a line.
(About eight words to a line.)
Engravings may head advertisements at the same rate per line, by measurement, as the letter press. Advertisements must be received at publication office as early as Thursday morning to appear in next issue.

→1883.
THE GRAND EVENT OF THE YEAR.
11TH Cincinnati Industrial Exposition!
OPENS SEPT. 5th—CLOSES OCT. 6th.
A WONDERFUL DISPLAY OF
Manufactures—Arts—Inventions—Products.
Recognized everywhere as the
NATIONAL EXHIBITION OF INDUSTRY AND ART.
EXHIBITORS FROM EVERY STATE IN THE UNION.
ADMISSION 25 CENTS.
No charge for space or steam power. Special arrangements made for transportation of exhibits and visitors. For full particulars, address, **Wm. H. STEWART, Sec'y.**

1883. ←
THE CASCADE BATTERY.—DESCRIPTION.
by F. Higgins, of a battery of the circulating kind, for telegraphic purposes, in which the electrolytic fluid employed passes from cell to cell by gravity, and maintains the action of the battery as long as the flow continues. Illustrated with one figure. Contained in **SCIENTIFIC AMERICAN SUPPLEMENT, No. 363.** Price 10 cents. To be had at this office and from all newsdealers.

BEFORE YOU BUY A BICYCLE
Of any kind, send stamp to **GUYF BROS., Dayton, Ohio,** for a free illustrated Price List of new and second-hand machines.

INSTRUMENT FOR DRAWING CONVERGING STRAIGHT LINES.—A paper by Prof. F. Szigazi, descriptive of the theory and mode of construction of a simple and easily constructed instrument for drawing converging straight lines and arcs of circles whose center falls outside the paper. Illustrated with ten figures. Contained in **SCIENTIFIC AMERICAN SUPPLEMENT, No. 363.** Price 10 cents. To be had at this office and from all newsdealers.

EXCELSIOR LOCOMOTIVE OILER
Lamp and Oil combination. Send terms on which you will be sent to **E. R. WALKER & CO., 24 Randolph St., Chicago.**

REMEDY FOR SICK HEADACHE.—Abstract of a paper by Surgeon Roehring, giving the favorable results obtained by him from the use of a salicylate of sodium in nervous headache. Contained in **SCIENTIFIC AMERICAN SUPPLEMENT, No. 363.** Price 10 cents. To be had at this office and from all newsdealers.

NOTICE to Users of Steam Pumps.
We have received following letter in regard to one of our No. 5 "L" (\$10) Steam Jet Pumps elevating 1/2 inch pipe of water more than 40 feet high:
"LANSE, MICH., Feb. 24, 1883.
"VAN DUZEN & TIFT, Cincinnati, O.:
"Money could not buy the Jet of us unless another could be had. I would not give you No. 5 "L" for a \$70 pump."
"N. A. Fitchell, Supr. Mich. Slate Co."
We make Ten Sizes of these Jet Pumps. Prices \$7 to \$75. Capacities 10 to 20,000 gallons per hour. State for what purpose wanted and send for Catalogue of "Jets."
VAN DUZEN & TIFT, Cincinnati, O.

(Cincinnati, Ohio, U. S. A.)
Exclusive Agents and Importers for the United States, of the
CELEBRATED
PERIN BAND SAW BLADES,
Warranted superior to all others in quality, finish, uniformity of temper, and general durability. The Perin Saw is used by the finest sawmills.

SPECIAL NOTICE.
In press and ready for distribution in thirty days.
A POCKET MANUAL FOR ENGINEERS.
Edited by JOHN W. HILL, Mechanical Engineer, Member American Society of Civil Engineers, Member American Association, R. E. M. M.
EDITION, 10,000.
Of which first 2,000 copies will be furnished, postage prepaid, at one dollar (\$1) each; subsequent copies furnished (postage prepaid) at one dollar and a half (\$1.50) each.
A pocket manual of useful information for mechanical engineers, steam users, and mechanics, containing 224 pages (set in nonpareil type) of carefully selected data, formulas, and experimental investigations from the latest and most approved sources.
Printed from electrotype plates, on white No. 1 book paper, in stiff morocco covers, with cardinal edges. Size of page, 4 1/2 x 6 3/4 inches.
From press of Robert Clarke & Co., Cincinnati.
Published by **WM. A. HARRIS, Builder of Harris-Corless Steam Engines, PROVIDENCE, R. I.,** to whom all subscriptions for copies should be sent.

The Brayton Petroleum Engine Co.
50 Federal St., BOSTON, MASS.
No Boiler. No Coal. No Steam. No Danger. No Explosions. No Attendance.
SAFETY! ECONOMY! CONVENIENCE!
Expense Ceases when Engine is Stopped.
While the cheapest motor in the world for continuous running, the cost of fuel becomes a mere trifle when power is required at intervals only.

PATENTS.
MESSRS. MUNN & CO., in connection with the publication of the **SCIENTIFIC AMERICAN**, continue to examine Improvements, and to act as Solicitors of Patents for Inventors.
In this line of business they have had *thirty-eight years' experience*, and now have *unequalled facilities* for the preparation of Patent Drawings, Specifications, and the prosecution of Applications for Patents in the United States, Canada, and Foreign Countries. Messrs. Munn & Co. also attend to the preparation of Caveats, Copyrights for Books, Labels, Reissues, Assignments, and Reports on Infringements of Patents. All business intrusted to them is done with special care and promptness, on very reasonable terms.
A pamphlet sent free of charge, on application, containing full information about Patents and how to procure them; directions concerning Labels, Copyrights, Designs, Patents, Appeals, Reissues, Infringements, Assignments, Rejected Cases, Hints on the Sale of Patents, etc.
We also send, *free of charge*, a Synopsis of Foreign Patent Laws, showing the cost and method of securing patents in all the principal countries of the world.
MUNN & CO., Solicitors of Patents,
261 Broadway, New York.
