# SPEAKING TELEPHONES

THE ABIERICAN BELL TELEPHONE COMPANY, W. H. FORBES, W. R. DRIVER, THEO. N. VAIL, President. Treasurer. Gen. Manager.

W.H. FORBES, W.R. DRIVER, Tensurer.

Alexander Graham Rell's patent of March 7, 1876, owned by this company, covers every form of apparatus, including Microphones or Carbon Telephones, in which the voice of the speaker causes electric undurations corresponding to the words spoken, and which articulations produce similar articulate sounds at the receiver. The Commissionerof Fatents and the U.S. Circuit Court have decided this to be the true meaning of his claim; the validity of the patent has been sustained in the Circuit on final hearing in a contested case, and many injunctions and final decrees have beenottainedon them. This company also owns and controls all the other telephonic inventions of Bell, Edison, Berliner, Gray, Blake. Phelps, Watson, and others.

Descriptive catalogues forwarded on application. Telephones for Private Line, Club, and Social systems can be procured directly or through the authorized agents of the company.

All telephones obtained except from this company, or its fauliorized licensees, are infringements, and the makers sellers, and users will be Proceeded against Information furnished upon apolication.

Address all communications to the

AMERICAN BELL TELEPHONE COMPANY, 95 Milk Street. Boston, Mass.

# The Scientific American.

THE MOST POPULAR SOMENTIFIC PAPER IN THE WORLD.

I'ublished Weckly, \$8.20 a Year; \$1.60 Six Months.

This unrivaled periodical, now in its forty-first year, continues to maintain its high reputation for excellence, and enjoys the largest circulation ever attained by any scientific publication.

Every number contains sixteen large pages, beautifully printed, elegantly illustrated; it presents in popular style a descriptive record of the most novel interesting, and imported advances in Beience, Arts, and Manufactures. It shows the progress of the world in respect to New Discoveries and Improvements, embracing Machinery, Mechanical Works, Engineering in all branches, Chemistry, Metallurgy, Electricity, Light. Heat, Architecture, Domestic Economy, Agriculture, Natural History, etc. It abounds with fresh and interesting subjects for discussion, thought, or experiment; furnishes hundreds of useful suggestions for business. It promotes Industry, Progress, Thrift, and Intelligence in every community where it circulates.

The SCIENTIFIC AMERICAN should have a place in every Dwelling, Shop, Office, School, or Library. Work-men, Forenen, Engineers. Superintendents, Directors, Presidents, Officials, Merchants, Farmers, Teachers, Lawyers, Physicians, Clergymen, people in every walk and profession in life, will derive benefit from a regular reading of The Scientific American.

Terms for the United States and Canada, \$3.20 a year; \$1.60 six months. Specimen copies free. Remit by Postal Order or Check.

MUNN & CO., Publishers,

361 Broadway, New York.

## Scientific American Supplement.

THE SCIENTIFIC AMERICAN SUPPLEMENT IS A SEPS-rate and distinct publication from The Scientific Am-ERICAN, but is uniform therewith in size, every number containing sixteen large pages. THE SCIENTIFIC AMERICAN SUPPLEMENT is published weekly, and includes a very wide range of contents. It presents the most recent papers by eminent writers in all the principal de-partments of Science and the Useful Arts, embracing Biology, Geology, Mineralogy, Natural History, Geo-graphy, Archæology. Astronomy, Chemistry, Electricity, Light. Heat, Mechanical Engineering. Steam and Railway Engineering, Mining, Ship Building, Marine Engineering, Photography, Techhnology, Manufacturing industries, Sanitary Engineering, Agriculture, Horticulture, Domestic Economy, Biography, Medicine, etc. A vast amount of fresh and valuable information pertaining to these and allied subjects is given, the whole profusely illustrated with engravings.

The most important Engineering Works, Mechanisms Dwellings & Country Seats and Manufactures at home and abroad are represented Simplest! Cheapest! Economical! Absolutely Safe! and described in the SUPPLEMENT.

Price for the Supplement for the United States and Canada, \$5.00 a year, or one copy of the Scientific Am-ERICAN and one copy of the SUPPLEMENT, both mailed for one year for \$7.00. Address and remit by postal order or check

MUNN & Co., 361 Broadway, N. Y., Publishers Scientific American.

To Foreign Subscribers.-Under the facilities of the Postal Union, the SCIENTIFIC AMERICAN is now sent by post direct from New York, with regularity, to sub-scribers in Great Britain India, Australia, and all other British colonies: to France, Austria, Belgium, Germany Russia, and all other European States; Japan. Brazil, Mexico, and all States of Central and South America. Terms, when sent to foreign countries, Canada excepted, \$4, gold, for Scientific American, one year; \$9, gold, for both Scientific American and Supplement for one year. This includes postage, which we pay. Remit by postal order or draft to order of

MUNN & CO., 361 Broadway, New York.
