A watch must "keep time"
whatever else it does. And
ought to look well, too. Yet
it must fit a moderate purse;
for everybody needs a watch.

The new *quick-winding*
"Waterbury," in coin-silver,
and gold filled cases is as
handsome as a picture.

It was always an honest
time-keeper. It winds in
about five seconds, and has
jeweled movement. Your jew-
eler keeps it in several styles.
