**"THE LIGHTNING" DENSMORE**

Everybody knows how much easier it is to raise a weight on an inclined plane than to lift it vertically. That's where the light stroke of the Densmore comes in. Our free pamphlet tells the rest.

FROM THE U. S. GOVERNMENT.  
 DEPARTMENT OF THE INTERIOR,  
 Washington, Nov. 23, 1895.  
 Densmore Typewriter Company.  
 Gentlemen:—We have now in use in the Bureaus of this Department nearly eighty Densmore machines. We have no complaint from the users of them; hence we conclude they are giving entire satisfaction. Respectfully,  
 (Signed) HIRAM BUCKINGHAM, Custodian.  
 DENSMORE TYPEWRITER CO., 316 Broadway, N. Y.

They have a tone that's all their own...

**GREAT REDUCTION IN RUSSIAN PATENTS**  
 NEW LAW NOW IN FORCE.  
 On the 13th of July, a new Russian patent law went into effect, reducing the cost of obtaining the patent and increasing the term to 15 years. We can now procure a Russian patent for \$125 in ordinary cases. The price formerly was from \$200 to \$400 for a patent of from 3 to 10 years. Annual taxes will be payable. The application should be filed before the issue of the United States patent.  
 Patents granted under the old law may, if still in force, be extended to the full term of 15 years, counting from the original date, by paying all the annuities that would have become due if the new law had been in operation at the time the application was filed.

**NEW EAST RIVER BRIDGE COMMISSIONERS'** Office, New York, September 1, 1896.—Proposals will be received by the Commissioners of the New East River Bridge, at their office, at No. 49 Chambers Street, New York City, until two o'clock in the afternoon of Wednesday, October 7, 1896, indorsed Proposals for Construction of Foundations of New York Tower of New East River Bridge, for furnishing the materials for and constructing the foundations of the New York Tower of the New East River Bridge, at or near the foot of Delancey Street, in the City of New York, in accordance with the proposed form of contract and the plans and specifications therefor. All bids shall be enclosed in sealed envelopes addressed to A. D. Baird, President of the Board of Commissioners of the New East River Bridge, and presented to him on that day and at that hour at said office, and such bids will be opened at public meeting by the Commissioners on that day at two o'clock. Copies of the specifications and the general drawings of the work, with the proposed form of bids and contract, may be obtained, and further information will be given at the office of the Chief Engineer, No. 84 Broadway, Brooklyn. Proposals will be made upon a form provided therefor, and only those proposals will be considered which are complete, in proper form, comply with the requirements therein stated, and are offered by parties of known reputation, experience and responsibility. Each bidder will be required to deposit, with his proposal, in the office of the Commissioners, a certified check for \$5,000, payable to the order of Richard Deever, as Treasurer of the New East River Bridge Commissioners, as security for the execution by him of the contract if his bid is accepted. The contractor will be required to give a bond in the penal sum of \$125,000, in the form annexed to the proposed form of contract, with two approved sureties or an approved surety company, conditioned for the prompt and faithful performance of the contract and its covenants and the work thereunder. The Commissioners reserve the right to reject any and all of the proposals offered, and to accept any proposal offered. **ANDREW D. BAIRD, President, F. B. THURBER, Secretary.**
