**LOGIC AND TYPEWRITERS HAVE NO CONNECTION!!**

But they have. Logic is the statement of such facts that a certain conclusion surely follows.

... OUR FACTS ...

1st. The SCIENTIFIC AMERICAN, in an editorial discussion, says (issue June 8, 1895), "It is obvious that where the entire writing can be seen, as in the Daugherty Visible, great facility in executing tabular or specially spaced work is given."

2d. The judges (admittedly the best of any International Exhibition) gave an

ATLANTA GOLD MEDAL to the "DAUGHERTY VISIBLE."

3d. Our Machine is . . . \$75.00.

YOUR CONCLUSION: With such indorsement, this machine demands further examination.

A Catalogue will tell you all about it.
