DENSMORE

The BALL-BEARING Type-Bar Joints mark an era in Typewriter Construction.

OTHER SUPERIORITIES ESTABLISHED:
LIGHTEST KEY TOUCH, because of the Compound Levers. GREATEST SPEED, because of the Convertible Speed Escapement.
MOST CONVENIENT PAPER FEED, because of the Unique Paper-Fingers, and Ease with which Platen is Turned to Show Writing.
BEST FOR BOTH CORRESPONDENCE AND MANIFOLDING, because of the Instantly Interchangeable Printing Cylinders.
FREE.—*Illustrated Pamphlet "S. A." containing testimonials from the U. S. Government and from Leading Concerns.*

Densmore Typewriter Co. 316 B'way, New York.

PROPOSALS.

NEW EAST RIVER BRIDGE. } New York,
COMMISSIONERS' OFFICE, } May 13, 1897.

Proposals will be received by the Commissioners of the New East River Bridge at their office, at No. 49 Chambers street, New York City, at 2 o'clock in the afternoon of Wednesday, June 9, 1897, endorsed "Proposal for Construction of Foundations of Brooklyn Tower of new East River Bridge," for furnishing the materials for and constructing the foundations of the Brooklyn tower of the New East River Bridge, at or near the foot of South Sixth street, in the City of Brooklyn, in accordance with the proposed form of contract and the plans and specifications therefor. All bids shall be inclosed in sealed envelopes, addressed to A. D. Baird, President of the Board of Commissioners of the New East River Bridge, and presented to him on that day and at that hour at said office, and such bids will be opened in public meeting by the Commissioners on that day at 2 o'clock.

Copies of the specifications and the general drawings of the work, with the proposed form of bid and contract, may be seen and further information will be given at the office of the Chief Engineer, No. 84 Broadway, Brooklyn.

Proposals will be made upon a form provided therefor, and only those proposals will be considered which are complete, in proper form, comply with the requirements herein stated, and are offered by parties of known reputation, experience and responsibility.

Each bidder will be required to deposit, with his proposal, in the office of the Commissioners, a certified check for $5,000, payable to the order of Richard Deeves, as Treasurer of the New East River Bridge Commissioners, as security for the execution by him of the contract if his bid is accepted.

The contractor will be required to give a bond in the penal sum of $350,000, in the form annexed to the proposed form of contract, with two approved sureties or an approved Surety Company, conditioned for the prompt and faithful performance of the contract, and its covenants and the work thereunder.

The Commissioners **reserve the right to reject** any and all of the proposals offered, and to accept any proposal offered.

ANDREW D. BAIRD, President.
F. B. THURBER, Secretary.
