PROPOSALS.

NEW EAST RIVER BRIDGE. New York,
COMMISSIONERS' OFFICE. May 13, 1897.
Proposals will be received by the Commissioners
of the New East River Bridge at their office, at
No. 49 Chambers street, New York City, at 2 c'clock
in the afternoon of Wednesday, June 9, 1897, endorsed "Proposal for Construction of Foundations
of Brooklyn Tower of new East River Bridge," for
furnishing the materials for and constructing the
foundations of the Brooklyn tower of the New
East River, Bridge, at or near the foot of South
Sixth street in the City of Brooklyn, in accordance
with the proposed form of contract and the plans
and specifications therefor. All bids shall be inclosed in sealed envelopes, addressed to A. D.
Baird, President of the Board of Commissioners of
the New East River Bridge, and presented to him
on that day and at that hour at said office, and
such bids will be opened in public meeting by the
Commissioners on that day at 2 o'clock.
Copies of the specifications and the general drawlings of the work, with the proposed form of bid
and contract, may be seen and further information will be given at the office of the Chief Engineer, No. 84 Broadway, Brooklyn.
Proposals will be made upon a form provided
therefor, and only those proposals will be considered which are complete, in proper form, comply
with the requirements herein stated, and are offered by parties of known reputation, experience
and responsibility.
Each bidder will be required to deposit, with his
proposal, in the office of the Commissioners, a certified check for \$5,000, payable to the order of
Richard Deeves, as Treasurer of the New East
River Bridge Commissioners, as security for the
execution by him of the contract if his bid is accepted.
The contractor will be required to give a bond
in the proposal sum of \$\$50.000, in the form an-

execution by him of the contract it his bid is accepted.

The contractor will be required to give a bond in the penal sum of \$350,\$00, in the form annexed to the proposed form of contract, with two approved surettes or an approved Surety Company, conditioned for the prompt and faithful performance of the contract, and its covenants and the work thereunder.

The Commissioners reserve the right to reject any and all of the proposals offered, and to accept any proposal offered.
