ORDINARY RATES.

Inside Page, each insertion -- 75 cents a line
Back Page, each insertion -- \$1.00 a line
For some classes of Advertisements, Special and Higher rates are required.
The above are charges per agate line—about eight words per line. This notice shows the width of the line, and is set in agate type. Engravings may be advertised at the same rate per agate line, by measurement, as the letter press. Advertisements must be received at Publication Office as early as Thursday morning to appear in the following week's issue.

PATENTS!
MESSRS. MUNN & CO., in connection with the publication of the **SCIENTIFIC AMERICAN**, continue to examine improvements, and to act as Solicitors of Patents for Inventors.
In this line of business they have had nearly fifty years' experience, and now have unequalled facilities for the preparation of Patent Drawings, Specifications, and the prosecution of Applications for Patents in the United States, Canada, and Foreign Countries. Messrs. Munn & Co. also attend to the preparation of Caveats, Copyrights for Books, Trademarks, Reissues, Assignments, and Reports on Infringements of Patents. All business entrusted to them is done with special care and promptness, on very reasonable terms.
A pamphlet sent free of charge on application, containing full information about Patents and how to procure them: directions concerning Trademarks, Copyrights, Designs, Patents, Appeals, Reissues, Infringements, Assignments, Rejected Cases. Hints on the sale of Patents, etc.
We also send, free of charge, a Synopsis of Foreign Patent Laws, showing the cost and method of securing Patents in all the principal countries of the world.
MUNN & CO., SOLICITORS OF PATENTS.
361 BROADWAY NEW YORK.
BRANCH OFFICES.—No. 622 and 624 F Street, Pacific Building, near 7th Street, WASHINGTON, D. C.

Krueger's Automatic Self-Registering Lumber Measure
Saves Time and Mental Wear and Tear. Avoids costly mistakes measuring lumber. Being exact, it prevents controversies over invoices between buyer and seller. Does away with all slow methods. Easy to understand and operate. One trial convinces of its value.
THE JOHNSTOWN SPECIALTY CO., Johnstown, Pa.

SCIENTIFIC AMERICAN

ESTABLISHED 1845.
The Most Popular Scientific Paper in the World
Only \$3.00 a Year, Including Postage.
Weekly—52 Numbers a Year.

This widely circulated and splendidly illustrated paper is published weekly. Every number contains sixteen pages of useful information and a large number of original engravings of new inventions and discoveries, representing Engineering Works, Steam Machinery, New Inventions, Novelties in Mechanics, Manufactures, Chemistry, Electricity, Telegraphy, Photography, Architecture, Agriculture, Horticulture, Natural History, etc. Complete list of Patents each week.

Terms of Subscription.—One copy of the **SCIENTIFIC AMERICAN** will be sent for one year—52 numbers—postage prepaid, to any subscriber in the United States, Canada, or Mexico, on receipt of Three Dollars by the publishers; six months, \$1.50; three months, \$1.00.

Clubs.—Special rates for several names, and to Postmasters. Write for particulars.

The safest way to remit is by Postal Order, Draft, or Express Money Order. Money carefully placed inside of envelopes, securely sealed, and correctly addressed, seldom goes astray, but is at the sender's risk. Address all letters and make all orders, drafts, etc., payable to **MUNN & CO., 361 Broadway, New York.**

Scientific American Supplement

This is a separate and distinct publication from THE **SCIENTIFIC AMERICAN**, but is uniform therewith in size, every number containing sixteen large pages full of engravings, many of which are taken from foreign papers and accompanied with translated descriptions. THE **SCIENTIFIC AMERICAN SUPPLEMENT** is published weekly, and includes a very wide range of contents. It presents the most recent papers by eminent writers in all the principal departments of Science and the Useful Arts, embracing Biology, Geology, Mineralogy, Natural History, Geography, Archaeology, Astronomy, Chemistry, Electricity, Light, Heat, Mechanical Engineering, Steam and Railway Engineering, Mining, Ship Building, Marine Engineering, Photography, Technology, Manufacturing Industries, Sanitary Engineering, Agriculture, Horticulture, Domestic Economy, Biography, Medicine, etc. A vast amount of fresh and valuable information obtainable in no other publication.

The most important Engineering Works, Mechanisms, and Manufactures at home and abroad are illustrated and described in the **SUPPLEMENT**.

Price for the **SUPPLEMENT** for the United States, Canada, and Mexico, \$5.00 a year; or one copy of the **SCIENTIFIC AMERICAN** and one copy of the **SUPPLEMENT**, both mailed for one year to one address for \$7.00. Single copies, 10 cents. Address and remit by postal order, express money order, or check.

MUNN & CO., 361 Broadway, New York.

Building Edition.

THE **SCIENTIFIC AMERICAN BUILDING EDITION** is issued monthly. \$2.50 a year. Single copies, 25 cents. Thirty-two large quarto pages, forming a large and splendid Magazine of Architecture, richly adorned with elegant plates and other fine engravings; illustrating the most interesting examples of modern Architectural Construction and allied subjects.

A special feature is the presentation in each number of a variety of the latest and best plans for private residences, city and country, including those of very moderate cost as well as the more expensive. Drawings in perspective and in color are given, together with Floor Plans, Descriptions, Locations, Estimated Cost, etc.

The elegance and cheapness of this magnificent work have won for it the largest circulation of any Architectural publication in the world. Sold by all newsdealers. \$2.50 a year. Remit to **MUNN & CO., 361 Broadway, New York.**

Export Edition

of the **SCIENTIFIC AMERICAN**, with which is incorporated "LA AMERICA CIENTIFICA E INDUSTRIAL," or Spanish edition of the **SCIENTIFIC AMERICAN** is published monthly, and is uniform in size and typography with the **SCIENTIFIC AMERICAN**. Every number contains about 50 pages, profusely illustrated. It is the finest scientific, industrial export paper published. It circulates throughout Cuba, the West Indies, Mexico, Central and South America, Spain and Spanish possessions—wherever the Spanish language is spoken. THE **SCIENTIFIC AMERICAN EXPORT EDITION** has a large guaranteed circulation in all commercial places throughout the world. \$3.00 a year, postpaid, to any part of the world. Single copies, 25 cents.

Manufacturers and others who desire to secure foreign trade may have large and handsomely displayed announcements published in this edition at a very moderate cost. Rates upon application.

MUNN & CO., Publishers.
361 Broadway, New York.
