\$300 for Correct List

ALSO A VALUABLE GOLD WATCH AND CHAIN IF YOU SEND 10 CORRECT WORDS.

AN Former Offers Eclipsed—No Room for Doubt—Mind what we Say. \$300.00 for a Full Set of Answers, and a Valuable Watch and Chain if you Send at least Ten Correct Words.

Never before was such a remarkable offer made as this. We, the publishers of *Woman's World*, deliberately promise to pay \$300.00 in cash for a full list of correct answers, and we further agree to give an elegant \$50 Guarantee American-Made Watch and Chain to you if you send at least 10 correct words. How Can We Afford To Do It? Read and learn our method. We intend to obtain over one million regular subscribers for our great magazine known as *Woman's World*, and we have determined to spend all the money we have made in the past five years and all we shall earn in the next five years, if necessary, to attain this object, because we know that after we have made this extraordinary yet far-sighted investment we can easily make a profit of a million dollars a year afterward. We make our calculations upon an enormous scale. We have the money, brains and reputation to do it!

An Instructive and Profitable Contest.

What you are to do is to supply letters of the alphabet in the places of stars in the list of words given below. For example we will tell you that the full answer of No. 1 is PENNSYLVANIA, because no other letters than E, N, Y, V, N, A, can be supplied to make the name of a State. Again, in No. 9, for example, you must make all the continuations of letters that will give you the name of a President, and in this instance, just to give you a tip, we will mention that the last two letters in the last name are Mc. Now can you supply the whole name? Bear in mind, you are to receive \$500.00 in cash and a \$50.00 Guarantee Watch and Chain if you send a full list of answers, or you will receive the \$500 Watch and Chain (without the cash) if you send at least ten correct words. This contest is different from all others. You are guaranteed a cash prize also watch and chain, as per offer

As soon as your letter is received, we shall turn the same over to the well-informed committee of examiners, and if you have sent at least ten correct words, we shall send you by express, prepaid, our \$50.00 Guarantee American-made Watch and Chain, with the understanding that, if you find as represented, you are to become a regular subscriber to *Woman's World* in accordance with our arrangements and to send us an order for a watch and chain if you have won the valuable \$50.00 Guarantee Watch and Chain. YOU WILL WIN A PRIZE OF GOLD!

READ THIS. We are thoroughly reliable and our publication has been established for 10 years. If you send a list of words without enclosing twenty-five cents, your letter will be thrown in the waste basket. If no one sends us a full list of correct words we will pay the \$500.00 to the person sending the largest list. While we do not expect more than one full list, if any, we will divide the \$500.00 equally if 10 or less persons send full lists, thereby guaranteeing at least \$50.00 to each, or if more than ten persons send full correct lists we will pay \$50.00 in cash to the others that follow and will give every contestant the beautiful and practical watch and chain which we will buy back for \$50.00 if not as represented. It is understood that when you get the watch you shall either become a regular subscriber to *Woman's World* or send the watch and chain back to us. It is further understood that if you are dissatisfied with the prize awarded you or the manner of conducting any part of this contest, you shall return what you have received and we will pay your money back, thereby guaranteeing satisfaction to you. Beware of fraudulent publishers who imitate our "Missing Letters" contests. We are the originators and are reliable.

YOU CAN BE SURE OF A PRIZE BY A LITTLE STUDY.

This contest is honestly conducted. The only money you need send with your list of words is 25 cents, to pay for trial subscription. If you are already a subscriber, be sure to mention it, and the new subscription will be extended on the old one. If your list is correct, as per above instructions, your prize will be sent by express, and if you don't feel fully satisfied that you have won at least \$50.00 worth, then you needn't become a regular subscriber to *Woman's World*. Although many people imagine that our magazine is interesting only to ladies, it is in reality equally interesting to husbands, fathers, brothers and all other members of the family, yet if you desire you may have our magazine sent to a friend while the prize will come to you. Distance from New York makes no difference in bringing you your prize of money and a watch. People who live in far-away States or Provinces have the same opportunity as those who live in New York. Now, if you are interested in grasping this most remarkable offer, send your list at once, with 25 cents, silver (carefully wrapped) or 13 two-cent stamps, and your prize will be forwarded promptly. As to our reliability we refer you to Clarke's Bank, 154 Nassau St., N. Y. Address, plainly:
