Notes & Queries

HINTS TO CORRESPONDENTS. Names and Address must accompany all letters or no attention will be paid thereto. This is for our information and not for publication.

(7227) J. R. asks: How many layers of No. 30 double-covered magnet wire shall I use to wind ring armature for dynamo core 4 1/2 in. in diameter, 4 in. long, with 2 1/4 in. hole, composed of 23 washers, with writing paper between, all turned true and bored out?

(7228) P. M. N. says: Can you inform me if there is a process other than the chalk plate by which pen and ink drawings may be reproduced for newspaper work? If so, is it more complicated and expensive?

(7229) F. B. H. writes: I am an old reader of your valuable paper, and I want to ask a few questions in regard to the eight light dynamo described in SUPPLEMENT, vol. xxiv, No. 600.

TO INVENTORS. An experience of nearly fifty years, and the preparation of more than one hundred thousand applications for patents at home and abroad, enable us to understand the laws and practice on both continents, and to possess unequalled facilities for procuring patents everywhere.

INDEX OF INVENTIONS

For which Letters Patent of the United States were Granted OCTOBER 26, 1897, AND EACH BEARING THAT DATE.

Table listing inventions with names and dates. Includes items like Aerial machine, Air brake, Air compressor, Bicycle attachment, etc.

SPECIAL HISTORY CLUB For NOVEMBER

The purpose of the Club has been highly commended on all sides. One letter, which stands for many others, comes from the Hon. Wm. T. Harris, LL.D., U. S. Commissioner of Education.

OUR CLUB has proved so popular and the Club price so convenient terms so attractive and satisfactory that the demand has exhausted our original edition of the

LIBRARY OF UNIVERSAL HISTORY.

We are gratified to announce that the publishers have consented to supply another edition (limited in number) which will be distributed to those who apply during November.

APPLICATIONS SHOULD BE SENT IN AT ONCE in order to participate in the distribution at the present very low price.

WHAT THIS GREAT WORK REALLY IS. The three great epochs, Ancient History, Medieval History and Modern History, naturally claim the principal portion of the Library, but Recent History also receives the attention its importance and interest demand.

Alaska is the subject of special treatment, which includes the history of the gold discoveries in the Klondike and other regions, with a new double-page map in four colors.

WORDS OF PRAISE FROM THOSE WHO HAVE RECEIVED THE WORK.

Pres. E. Benjamin Andrews, of Brown University, says: "The educational value of the 'Library of Universal History' is sure to be very great."

OUR CLUB

control for the benefit of its members exclusively, the desirable edition of this splendid Library, and by arranging for the entire edition to be supplied to the sets (while they last) in three styles of binding at a saving of about 50 per cent of the regular subscription price.

McCLURE'S MAGAZINE HISTORY CLUB, 141 E. 25th Street, New York
