"Inexpensive Country Homes."

A Practical Book for Architects, Builders and those Intending to Build.

A handsome cloth-bound portfolio, consisting of 96 pages 11 x 14, printed on heavy plate paper, and containing 43 designs, with floor plans, of practical, tasteful and comfortable country homes, ranging in cost from \$1,000 to \$5,000 complete. The designs have been carefully selected as embodying the best efforts of various architects throughout the country. Every one of the houses has already been built, and all of the illustrations are half-tone engravings, made direct from photographs of the completed structures, taken especially by the SCIENTIFIC AMERICAN artists. In many cases two perspective views of the same house are shown. Several illustrations of inexpensive stables are also included among the designs.

The location of the dwellings, the cost, owners' and architects' names and addresses are given, together with a description of the dwelling, thus enabling, if desired, a personal inspection of the dwelling or direct correspondence with the architect or owner.

Architects, Builders, and those intending to build will find many new and valuable suggestions among the up-to-date designs illustrated in this handsome portfolio.

The Mountain Chautauqua.

This famous Chautauqua, at Mountain Lake Park, Maryland, opens its session August 4 and closes August 24. It is the most superb and sensible summer resort in America. Its height, 2,800 feet above sea level, means a delightful climate and unsurpassed mountain views. Five well appointed hotels and 250 cottages open their doors to tourists at from \$5 to \$12 per week. Twenty departments of important school work are in the hands of specialists. The best lecturers, singers and entertainers in the country appear three times daily. The program is unequalled. Here is a chance to mix a little intellectual uplift with your vacation.

Mountain Lake Park is located on the main line of the Baltimore and Ohio R.R., and as all the fast trains stop at the Park during the summer, patrons have the advantage of their superb train service between the east and the west.

Round trip tickets will be sold from all stations east of the Ohio River for all trains August 2 to 23, valid for return trip until August 31, at ONE SINGLE FARE for the ROUND TRIP.
