Ready September 1st.

MAGIC

Stage Illusions and Scientific Diversions Including Trick Photography.

COMPILED AND EDITED BY ALBERT A. HOPKINS.

WITH AN INTRODUCTION BY HENRY RIDGELY EVANS.

Over 500 pages. Over 400 illustrations.

This is a new and unique work on magic art. It contains exposés of the sleight-of-hand feats and illusions of the most famous conjurers of modern times. It is profusely illustrated with over 400 engravings. The subjects treated include interesting Biographies of Celebrated Conjurers, the Mysteries of Modern Magic, Ancient Magic, Science in the Theater, Automata, Curious Toys, and Photographic Diversions. The very latest developments in each line will be given. Thus, under photography the projection of moving pictures is taken up for the first time in book form.

An illustrated circular of this work is now ready, and will be mailed on request to any part of the world. The book will be sent, postpaid, on receipt of \$2.50.

MUNN & CO., PUBLISHERS, 361 BROADWAY, NEW YORK CITY.
