THE SCIENTIFIC AMERICAN

Cyclopedia of Receipts, Notes & Queries

12,500 RECEIPTS. 708 PAGES. Price, \$5.00 in Cloth; \$6.00 in Sheep; \$6.50 in Half Morocco, Postpaid.

THIS great work has now been on the market for nearly six years, and the demand for it has been so great that twelve editions have been called for. The work may be regarded as the product of the studies and practical experience of the ablest chemists and workers in all parts of the world; the information given being of the highest value, arranged and condensed in concise form, convenient for ready use. Almost every inquiry that can be thought of, relating to formulae used in the various manufacturing industries, will here be found answered.

Those who are engaged in almost any branch of industry will find in this book much that is of practical value in their respective callings. Those who are in search of independent business or employment, relating to the home manufacture of salable articles, will find in it hundreds of most excellent suggestions.
