Advertisements.

ORDINARY RATES.

Inside Page, each insertion, - 75 cents a line
Back Page, each insertion, - - $1.00 a line

☞ *For some classes of Advertisements, Special and Higher rates are required.*

The above are charges per agate line—about eight words per line. This notice shows the width of the line, and is set in agate type. Engravings may head advertisements at the same rate per agate line, by measurement, as the letter press. Advertisements must be received at Publication Office as early as Thursday morning to appear in the following week's issue.

Star ★ Lathes
Foot power Screw... ...cutting Automatic Cross feed
9 and 11-inch Swing.
New and Original Features
Send for Catalogue B.
Seneca Falls Mfg. Company,
695 Water St., Seneca Falls, N. Y.

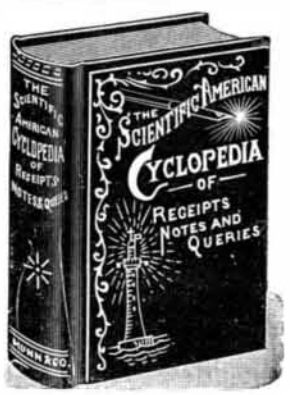
DON'T SEW ON BUTTONS!

Bachelor's Buttons made with **Improved Washburne Patent Fasteners** slip on in a jiffy. Press a little lever—they hold like grim death, but don't injure the fabric. Instantly released when desired. By mail, 10c. each. Illus. catalogue showing collar buttons and other useful novelties made with these fasteners, free on request.

American Ring Co. Box P, **Waterbury, Conn.**

THE SCIENTIFIC AMERICAN
Cyclopedia of Receipts, Notes & Queries
12,500 RECEIPTS. 708 PAGES.
Price, $5.00 in Cloth; $6.00 in Sheep; $6.50 in Half Morocco, Postpaid.



THIS great work has now been on the market for nearly six years, and the demand for it has been so great that twelve editions have been called for.
The work may be regarded as the product of the studies and practical experience of the ablest chemists and workers in all parts of the world; the information given being of the highest value, arranged and condensed in concise form, convenient for ready use. Almost every inquiry that can be thought of, relating to formulæ used in the various manufacturing industries, will here be found answered.
Those who are engaged in almost any branch of industry will find in this book much that is of practical value in their respective callings. Those who are in search of independent business or employment, relating to the home manufacture of salable articles, will find in it hundreds of most excellent suggestions.
