Founded by Mathew Carey, 1785.

#### HENRY CAREY BAIRD & CO. STRIAL PUBLISHERS, BOOKSELLERS & IMPORTER 810 Walnut St., Philadelphia, Pa., U. S. A.

TF Our Ne wand Revised Catalogue of Practical an Scientific Books, 12 pages, sve. complete to Oct. 1, 185 and our other Catalogues and Circulars, the whole covering every branch of Science applied to the Artsent free and free of p stage to any one in any part of the world who will furnish his address.

ITH better facilities and larger connections than ever before, we can promise for the Magazine during the coming year, increased interest and distinction in both its reading matter and its illustrations. In the December number appears, with beautiful pictures, reproduced partly in color, the introduction and the prologue to

### The Life of the Master.

By the Rev. John Watson, D.D. Author of "THE MIND OF THE MASTER," "BE-SIDE THE BONNIE BRIER BUSH," etc.

Knewn widely as a writer of genial, wheleseme steries. Dr. Watsen is even better knewn as a Christian preacher and a writer of inspiring religious and devetienal books. He relates the story of the deeds and speech of the Master reverently, and with a special regard to its interest and value for men as men, rather than as theologians and historians. The "Life" will be largely

Illustrated in Color from Special Paintings Mr. C. K. Linsen, an artist of power and sincerity who was sent to Palestine two years ago to prepare the illustrations. has produced a large number of maintings and drawings representing the chief seenes and episodes in the life of the Master. Some of these illustrations will be printed in color, from plates prepared in Vienna, by the most eminent firm of color printers in Europe.

### OTHER FEATURES.

#### Lieut. Peary's Adventures.

Lieut. Peary has been in the Arctic during the past year, and interest or remain there until he can reach the Pole. He has written a description of his visit to Gen. Greely's quarters at Fort Conger. For the January number. Other papers will follow.

#### RUDYARD KIPLING

will contribute timely poems and short stories from time to time during the coming year.

#### ANTHONY HOPE

has written a new nevel of great power, which will shortly be begun in MCCLURE'S. It is a pure leve story, and undoubtedly the best thing be has ever done.

#### MARK TWAIN

has written several papers for coming numbers. "My Boyhood Dreams" will appear in the January number.

#### **BRET HARTE**

has contributed "A Jack and Jill of the Sierras" to next year's budget of short stories. It is written in his old-time fascinating style.

SHORT STORIES.

We have accumulated an unusually strong collection of short stories. A series of stories of prison life, beginning in February, will prove particularly striking.

The New Velume begins with the Nevember number.

The S. S. McCLURE CO., Publishers, 135 E. 25th Street, New York City.

#### Roper's New Engineer's Handy-Book for STEAM ENGINEERS and ELECTRICIANS.

Thereughly revised, rewritten and much enlarged by burn K. Keller. M. E., and Layton W. Pike, B.S., x-President of the Electrical Section of the Franklin istitute. Emeracing all the recent improvements in e Steam Engine and giving full instructions for the CARE and MANAGEMENT of an ELECTRICAL PLANT.

Nearly 900 pages, 325 illustrations, over 700 main subjects, 222 tables, and 645 questions most likely to be asked when under examination before being licensed as

an engineer.
Full leather, gilt edges, pockethook style. \$3.50.

### PROPOSALS.

Commission New East River Bridge, City of New York.

#### NOTICE TO CONTRACTORS.

City of New York.

NOTICE TO CONTRACTORS.

November 9. 1839.

Proposals will be received by the Commissioners of the New East River Bridge, at their effice, at No. 49 Chambers Street, in the Goreugh of Manhattan, in the City of New York, attwo c'clock in the afternoon of the THE DAY OF DECEMBER, 1899, endorsed "Proposal for Construction of Steel Cables, Suspenders, etc. of the New East River Bridge," for furnishing the materials tor and constructing the steel cables, suspenders, cable bands, coverings, sheaves and their appurtenances of the New East River Bridge, in accordance with the proposed form of contract and the drawings and specifications therefor. All bids shall be enclosed in sealed envelopes, addressed to Lewis Nixon, President of the Board of Commissioners of the New East River Bridge, and presented to him on that day and at that bour at said office, and such bids will be opened in public meeting by the said Commissioners on thatday at two c'clock in the afternoon.

Copies of the specifications and the general drawings for the work, with the proposed forms for the bid, bend and contract, may be seen and further information will be given at the office of the Chief Engineer, No. 34 Broadway. Borough of Brooklyn, City of New York, on and after the 13th day of November, 1399.

The Commissioners require that all bidders shall carefully examine the specifications, drawings and proposed form of contract, in order that no question as to their meaning may arise hereafter. It must be distinctly understood that no changes in the quality of the materials or of the workmanship will be allowed, and that the specifications will be adhered to strictly.

The contract is to be completely performed within ten months after the cable saddles are set in place upon the steel towers of the bridge.

Proposals will be made upon a form provided therefor, and only those proposals will be considered wicen are complete, in proper form, comply with the requirements berein stated, and are officed by parties of known reputation, ex

LEWIS NIXON, President. JAMES D. BELL, Secretary.
