

Choice Holiday Books

A Complete Electrical Library.

By PROF. T. O'CONOR SLOANE.

An inexpensive library of the best books on electricity. Put up in a neat folding box, as shown in cut. For the student, the amateur, the workshop, the electrical engineer, schools and colleges. Comprising five books, as follows:

Arithmetic of Electricity 138 pages, \$1.00
Electric Toy Making 140 pages, \$1.00
How to Become a Successful Electrician, 138 pages, \$1.00
Standard Electrical Dictionary, 682 pages, \$3.00
Electricity Simplified, 158 pages, \$1.00

A valuable and indispensable addition to every library. Our Great Special Offer.—We will send prepaid the above five volumes, handsomely bound in blue cloth, with silver lettering, and inclosed in a neat folding box, as shown in the illustration, at the Special Reduced Price of \$5.00 for the complete set. The regular price of the five volumes is \$7.00.

Liquid Air and the Liquefaction of Gases.

This book contains the full theory of the subject. It gives the entire history of the Liquefaction of Gases from the earliest time to the present, and contains an illustrated description of all the experiments that have excited the wonder of audiences all over the country. It is a logical explanation and application of the principles of liquefaction, a history of the theory, discovery and manufacture of liquid air. A book that renders simple one of the most perplexing chemical problems of the century. Startling developments illustrated by actual experiments. It is not only a work of scientific interest and authority, but is intended for the general reader, being written in a popular style—easily understood by everyone.

By Prof. T. O'CONOR SLOANE. 345 Pages. With many illustrations. Price \$2.50.

EXPERIMENTAL SCIENCE.

By GEORGE M. HOPKINS.

THIS is a book full of interest and value for Teachers, Students, and others who desire to impart or obtain a practical knowledge of Physics. This splendid work gives young and old something worthy of thought. It has influenced thousands of men in the choice of a career. It will give anyone, young or old, information that will enable him to comprehend the great improvements of the day. It furnishes suggestions for hours of instructive recreation.

20th edition. Revised and enlarged. 914 pages. 820 illus. Elegantly bound in cloth. Price, by mail, postpaid, \$4.00; Half Morocco, \$5.00.

THE SCIENTIFIC AMERICAN Cyclopaedia of Receipts, Notes and Queries.

Edited by ALBERT A. HOPKINS.

12,500 Receipts. 708 Pages.

This splendid work contains a careful compilation of the most useful Receipts and Replies given in the Notes and Queries of correspondence as published in the SCIENTIFIC AMERICAN during the past fifty years; together with many valuable and important additions. Over 12,000 selected Receipts are here collected; nearly every branch of the useful arts being represented. It is by far the most comprehensive volume of the kind ever placed before the public.

Price \$5 in cloth; \$6 in sheep; \$6.50 in half morocco; postpaid.

Gas, Gasoline, and Oil Vapor Engines.

The Only American Book on the Subject.

A book designed for the general information of everyone interested in this new and popular motive power and its adaptation to the increasing demand for a cheap and easily managed motor requiring no licensed engineer. The book treats of the theory and practice of Gas, Gasoline, and Oil Engines, as designed and manufactured in the United States. It also contains chapters on Horseless Vehicles, Electric Lighting, Marine Propulsion, etc.

By GARDNER D. HISCOX, M. E. 270 Handsome Engravings. Large Octavo, 365 Pages. Price \$2.50.

Full descriptive circulars of above books will be mailed free upon application.

A printed copy of the specification and drawing of any patent in the foregoing list, or any patent in print issued since 1883, will be furnished from this office for 10 cents. In ordering please state the name and number of the patent desired, and remit to Munn & Co., 361 Broadway, New York. Special rates will be given where a large number of copies are desired at one time.

Canadian patents may now be obtained by the inventors for any of the inventions named in the foregoing list, provided they are simple, at a cost of \$40 each. If complicated the cost will be a little more. For full instructions address Munn & Co., 361 Broadway, New York. Other foreign patents may also be obtained.
