\$1,000 A YEAR FOR LIFE.

SIX PER CENT. GUARANTEED.

A thorough investigation will convince you that \$12.50 per month invested for six years in the Monteuma Plantation will give you an annual income of \$1,000 for life. It will convince you that the enterprise is not a speculation, but a safe, conservative investment. The plantation, 4,000 acres, is being planted to rubber and sugar. The Company's Financial Strength—The Mexican Coffee and Rubber Growers' Association manages the plantation for 25 years. The mercantile agencies say that it has a capital of \$5,000,000, assets \$4,000,000, and owns steamboats. Each Member Only One Vote Imposable to Freeze Out—The plan is the perfection of co-operation. Chicago Title and Trust Co., Trustees—This well-known institution holds the title to the land and acts as a depository for the purchasers' money. Pointers on Profits—Sir Thomas Lipton says: "For sure, large and permanent returns, nothing equals a well-managed tropical plantation." Russell Sage says a rubber plantation is better than a bank.
