PERSONAL MAGNETISM
It triumphs over obstacles; it enables you to gratify your highest ambitions; to achieve; to accomplish; to win. It marks the difference between success and failure and makes man the supreme master of his destiny. By our new system you can learn this wonderful science in a few days at your own home, you can cure diseases, bad habits and wield wonderful power and influence over others. Our richly illustrated book on Hypnotism, Personal Magnetism, Magnetic Healing, etc., tells how. It's free. It is intensely interesting and full of startling surprises. It has been the means of starting thousands of persons on the road to success. A postal card dropped in the box at the corner will bring this wonderful book to your very door. Address: New York Institute of Science, Dept. Rochester, N. Y.

HANDBOOK ON ENGINEERING
For steam users, engineers, electricians, machinists and firemen. The most complete manual published; embracing all the recent improvements and the practical care and management of dynamos, motors, boilers, engines, pumps, inspirators and injectors, refrigerating machinery, hydraulic elevators, air compressors and all branches of steam engineering. It is nicely bound in leather, pocketbook style, and contains about 800 pages, with over 800 illustrations. In it can be found the questions most likely to be asked when under examination before being licensed as an engineer.
