GEER'S HARTFORD CITY DIRECTORY AND CLASSIFIED BUSINESS DIRECTORY. Hartford, Conn.: Elihu Geer Sons. 1901. 8vo. Pp. 969. Price \$4.

It is not everyone who can make a directory. It requires considerable fitness to make even a passable directory. The present is one of the best we have ever seen. It has a large number of new points which make it most valuable in practice. Vital statistics are given, such as marriages, births, deaths and divorces in the city. There is a list of graduates of the High School and the grammar schools of the city, together with the name and residence of the parents of the graduates, thus fully identifying each scholar. There are dozens of other interesting features which make it extremely complete and convenient. We only wish that many cities larger than Hartford had as good a directory.
