

It Fits the Case

Half the value of an accurate watch movement, like this one, might be lost in a poorly made, pretended gold case. That is why we make complete watches; honest cases, fitted to fine movements; both made in our mammoth factory—largest in the world.

"Accurate-to-the-Second"

Dueber-Hampden Watches

bear copyrighted names, engraved on the works, and our gold cases have stamped on the inside:

FRENCH — GERMAN — SPANISH LANGUAGE - PHONE METHOD

Spoken, Taught, Mastered. COMBINED WITH Dr. Richard S. Rosenthal's Method of Practical Linguistry.

No longer unnecessary memorizing of verbs, declensions, or rules. You hear the exact pronunciation of each word and phrase thousands of times if you like. It requires but a few minutes' practice in spare moments to acquire a thorough mastery of conversational French, German, or Spanish. College professors all over this and other countries, and the press generally, endorse this perfect and natural system of teaching languages. Send for testimonials, booklet, and letter telling all about this 20-century scientific marvel.

INTERNATIONAL COLLEGE OF LANGUAGES, 1101-C Metropolitan Building, New York City.
