

Send No Money

You can obtain this stylish \$12 Tailor-Made All Wool Suit guaranteed to fit, for

ONLY \$7.95

Providing you will hand an envelope containing Samples, Catalogue and Special Offer to men who in your judgment would be likely to take advantage of our Tailor Made Suit offer. Sent C. O. D. without paying one cent in advance.

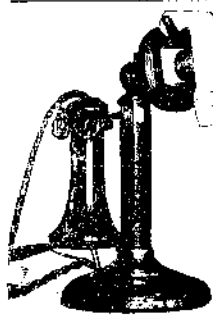

We can afford to sell you this one \$12.00 suit for \$7.95 in order to introduce our Tailor Made Clothing in your vicinity; for the reason that these suits are made of such fine material, cut and tailored in such first-class style, that the one suit we send you will be the means of our selling a great many more to the ten persons you hand the ten sets of samples and advertising matter to, and to their friends.

You do not run the slightest risk, we fill your order exactly as given and send the suit to your express office for you to examine and try on. If you find it a perfect fit and as good as a \$12.00 suit as you ever saw, pay the express agent \$7.95 and express charges. If not satisfactory, it will be returned at our expense. We know that you will be pleased, or we could not afford to make a suit to you, measure and ship it to you without a deposit.

Write to-day for Free Samples, Catalogue, instructions for taking measurements, and \$7.95 Special Offer. We refer you to the Milwaukee Ave. State Bank of Chicago, capital stock \$250,000.00.

O. T. MOSES & CO. 191 W. Chicago Avenue, Chicago.

HEALTH'S SAFEGUARD

Put the Hygienic Guard on your telephone transmitter. This device has received the endorsement of a Board of Health which it has been submitted. Hundreds of them are now in use in the industrial and mercantile parts throughout the country. \$1.00, postpaid to any address, complete, with full instructions.

The Lawrence-Hall Electric Co. CINCINNATI, OHIO

Non-Smut Carbon Paper advertisement with image of a man and text: 'Send Us One Dollar and we will send you 12 sheets of our Famous Non-Smut Carbon Paper (regular price 50c) and one of our Standard Ribbon - \$1.50 in value for \$1.00. Non-Smut Carbon Paper is made of gelatinized ink, therefore will not smudge or finger. It lasts longer, manifolds clearer, and makes more copies than any other paper made. Non-Smut Ribbon is made of the best material, don't fill the type and is cleaner. Sold by up-to-date dealers. Money back if you don't like it. Write for samples and illustrated leaflet, "Send Us One Dollar for Non-Smut Carbon & Ribbon Co., Makers of Carbon Paper and Ribbons of all kinds, 114 Main St., Rochester, N. Y."

'A Message to Garcia' advertisement: 'is not "in it" as a business stimulator with our famous little decorated tin reminders, called "DO IT NOW". We sell them at cost (10 cents) and pay postage because our advertisement is on the back. AMERICAN STOPPER CO. 136 Water Street, Brooklyn, N. Y. Largest Makers of Tin Boxes Outside the Trust.'

STIMULATION without IRRITATION Means New Life to the Scalp. The Evans Vacuum Cap gives the scalp a thorough massage and encourages a free and healthy circulation without rubbing and without the use of drugs or irritants. It will stop hair from falling out and restore a normal growth where live follicles exist. The Cap is used about ten minutes twice a day and its effects are pleasant from the very beginning. We will refund your money in full if results are not satisfactory after a thirty days' use. Call on or address EVANS VACUUM CAP CO. St. Louis Office, Fullerton Building, New York Office, 130 Broadway. NOTE: To those who do not wish to call at our offices we will give a sufficient number of demonstrations free to satisfy them as to the merit of the appliance.

THE MIETZ & WEISS KEROSENE and GAS ENGINE Sizes from 1 to 60 H. P. is cheaper and safer than gas engine. Automatic, simple, reliable. No electric battery or flame used. Perfect regulation. Belted or directly coupled to dynamo for electric lighting, charging storage batteries, pumping and all other purposes. A. MIETZ, 198-198 1/2 3rd St., New York. ADOPTED BY U. S. GOVERNMENT. Highest Award, direct coupled generator, Paris Exposition, 1889. Gold Medal, Pan American Exposition, 1901. Gold Medal, Charleston, S. C., Exposition, 1902.

Better Light—Less Cost A much stronger, whiter, steadier light is secured for house or store, church, school, office, etc., by a "CARTER" ACETYLENE GAS GENERATOR than by ordinary gas. Cheaper, safer, cleaner, simpler. Takes up little cellar room. Requires little attention. Saves a lot of money, work and worry. NIAGARA FALLS ACETYLENE GAS MACHINE CO., Niagara Falls, N. Y.

SENSITIVE LABORATORY BALANCE. By N. Monroe Hopkins. This "built-up" laboratory balance will weigh up to one pound and will turn with a quarter of a postage stamp. The balance can be made by any amateur skilled in the use of tools, and it will work as well as a \$125 balance. The article is accompanied by detailed working drawings showing various stages of the work. This article is contained in SCIENTIFIC AMERICAN SUPPLEMENT, No. 1124. Price 10 cents. For sale by MUNN & Co., 361 Broadway, New York City, or any bookseller or newsdealer.

A Constant Water Supply Without Cost of Maintenance is best afforded by the use of a NIAGARA HYDRAULIC RAM. The Niagara is a new improvement upon the old-fashioned ram, and delivers from 2 to 4 times as much water under the same conditions. Our rams have been used in almost every state in the Union, and have proved the superior of all others. Write for catalog and testimonials. Niagara Hydraulic Engine Co., Chester, Pa.

"Economy in the Boiler Room" is a little booklet that tells how to save hundreds of dollars every year. It also tells of the Dean Boiler Tube Cleaner, the only device made which will remove all scale from your boiler tubes. WM. B. PIERCE CO. 320 Washington Street, Buffalo, N. Y.

NO GUESSING ABOUT IT. You put my Callipers over your work and you know in an instant just what size it is and how much too small or too large. Send for Catalogue and Special Discount to ERNST G. SMITH, COLUMBIA, PA.

MIND the MICROBES! You get them in all ordinary drinking water. Before drinking, purify it. You can transform it into pure water in the surest and quickest way by using the well-known Berkefeld Filter which is so constructed as to eliminate from the water all foreign bodies. One gallon of pure water in 4 minutes. Easy to clean, easy to care for. BERKEFELD FILTER CO., 4 Cedar Street, New York
