JIU JITSU
 The Japanese National System of Physical Training.
 For over two thousand years the principles of JIU-JITSU have been religiously guarded. By an Imperial edict the teaching of the system was forbidden outside of Japan. The friendly feeling, however, existing between Japan and the United States has been instrumental in releasing JIU-JITSU from its oath-bound secrecy, and all its secrets are now being revealed to the American people for the first time by Mr. Y. K. Yabe, formerly of the Ten-Shin Ryu School of Jiu-Jitsu, who has formulated a correspondence course in Jiu-Jitsu which is identical with the course taught in the leading school of Japan.
First Lesson Free.
 An interesting book explaining the principles of JIU-JITSU, has just been written by Mr. Yabe. This book, together with the first lesson in the art, will be sent free to interested persons. The lesson is illustrated from photographs, and shows one of the most effective methods known to Jiu-Jitsu for disposing of a dangerous antagonist. Write today for this free book and sample lesson. They will be sent you by return mail, postpaid. Address THE YABE SCHOOL OF JIU-JITSU, 344 Realty Bldg., Rochester, N. Y.
