

A Wonderful Value

Type VIII Autocar at \$1400 represents a wonderful automobile value. This type is the foundation of the Autocar's enviable reputation. It is a car built upon honor throughout. There is nothing experimental about it—nothing uncertain in its construction. During 1904 Type VIII was tested on all sorts of American roads—under all kinds of conditions. It has proved its reliability and efficiency so well as to put autocar Type VIII in the very front of its class. Last season Type VIII was sold for \$1700 and was considered an unsurpassed value. The price of Type VIII is now \$1400 because, having built this model for so long we can now build it more economically. For the man who wants a thoroughly reliable four-passenger car at a moderate price Type VIII at \$1400 is his opportunity.

SPECIFICATIONS:

Horizontal two cylinder opposed engine—no noticeable vibration. Twelve actual horse power. Oiled automatically. Water cooled. Transmission, sliding gear type. Three speeds forward and a reverse. Ball bearing, shaft drive. Nongreasy, gritty chain. Front and rear construction has ball bearings throughout. Gasoline tank holds 10 gallons—sufficient on good roads for 200 miles. Tonneau is removable. Front seat divided. Engine and transmission case are accessible from above without disturbing body. Catalogue giving full description of Type VIII, Type X Runabout and Type XI Four Cylinder Car, with dealer's name sent free upon request.
