## The \$5000 Prize Story

About a year ago Collier's offered \$5000.00 for the best American short story. Over twelve thousand manuscripts were received. Many of them were the work of America's best-known writers. The judges—William Allen White, Walter Page, and Senator Lodge—awarded first prize to a young man of twenty-five, Rowland Thomas. Hitherto he has been unknown to the reading public.

Rowland Thomas, son of the Rev. Lewis J. Thomas, a Congregational minister, was born at Castine, Me., in 1879. He graduated from Harvard University, *summa cum laude*, in 1901. He immediately went to the Philippines. There he spent two years traveling extensively and studying carefully the condition of the natives and our own United States troops. How well Mr. Thomas understands life in the Philippines is shown in his "Fagan"—the story that won over twelve thousand other manuscripts.
