The Finsen Treatment
FOR SKIN DISEASES
has proven eminently successful in
America. We have
permanently re-
lieved many serious
cases at our Insti-
tute by our Genuine
High Power
Finsen Lamps
imported from
Copenhagen.
This treatment
is not a cure-
all, but it is sure
in many diseases heretofore regarded
as incurable, as Lupus (skin consump-
tion), Eczema, Psoriasis, Skin Cancer,
Birthmarks and Facial Blemishes. It
is knifeless, painless, harmless. We
have special books describing each of
the above and other skin diseases in
detail and giving names of cured pa-
tients. They are free. Write for the
book you desire.
