Facts for men who Shave, or get Shaved, or deal in Shavers' Supplies

A recent careful investigation covering the entire country, made by two of the largest advertisers in America who manufacture goods for shavers, showed that JUDGE was on file in more than 75 per cent. of all the desirable barber-shops.

JUDGE is read until there is nothing left but the file.

In the case of advertiser No. 1, the renewal calls for just double the space on the last order (2,500 lines). Advertiser No. 2, who had never before used JUDGE, placed an order for nearly Two Thousand Dollars (\$2,000.00).

A word to the wise Shaver or Shavee should be sufficient.

If you deal with JUDGE you will not get shaved.

Very truly yours, B. C. EVERINGHAM, Advertising Manager 225 FOURTH AVENUE, NEW YORK
