Whitewash Your Factory at Lowest Cost

With a Progress Universal
Spraying Machine.
One man can apply white-
wash, calcimine or cold
water paint to 1,000 square
feet of factory wall in ten
hours, and do better
work than with a brush.
It is also adapted for
spreading disinfectants,
destroying insect pests
and diseases on trees,
vegetables and other
plants, extinguishing
fires, etc. This machine costs only \$16.50 and lasts
a lifetime. It pays for itself the first year. Write
for detailed description.

LESLIE'S WEEKLY

Fiftieth Anniversary

of America's Oldest and
Best Illustrated Paper
Established December 14, 1855

THE first number of LESLIE'S WEEKLY was published December
14, 1855, by the late Frank Leslie, and it is the intention of
the publishers to fittingly celebrate the *Half-Century Mark*
by a handsome double number, combining the

Christmas and Semi-Centennial Numbers

in one issue, under the date of December 14, 1905.

It is a matter of great pride to the publishers that LESLIE'S WEEKLY
—the pioneer of illustrated journalism—is to-day more prosperous than
at any time since its foundation, and is recognized by the entire world as
the most progressive and best illustrated newspaper published.

We earnestly request the co-operation of our friends to make our
Semi-Centennial number the best ever published. It will be an issue
that will be kept for many years. We can recommend this number to
all advertisers. Copy should be in our hands by November 15th at the
latest. We want you represented.
