INDUSTRIAL OPPORTUNITIES
ON THE
CHICAGO & NORTH-WESTERN RAILWAY

The rapidly growing cities and the splendid resources of the territory reached by The North-Western Line combine many of the essentials to industrial success. Fine water-power locations that may be supplemented by electrical energy developed therefrom, forests furnishing material for all kinds of woodworking concerns, iron and coal for foundries and machine shops, and rich natural deposits of material for cement, pottery, brick and tile, with an ample supply of a good class of labor.

The complete service of The North-Western Line affords access to steady and growing markets.

The Industrial Department of the Chicago & North-Western Ry. will furnish reliable information regarding desirable locations along The North-Western Line for new manufacturing enterprises.

The work of this department affords a time-saving convenience to manufacturers seeking new locations or desiring to establish branch establishments, and information will be promptly furnished upon application.
