

365 SHAVES WITHOUT STROPPING

A shave every day in the year for less than two cents a week.

One million satisfied users prove the supremacy of the Gillette double-edged wafer blades which require **No Stropping** and are **Always Sharp**. If there is a single user of the Gillette Razor who is not getting the utmost satisfaction, we want to know it.

12 Perfect Blades. 24 Sharp Edges.

The steel used in Gillette Blades is made specially for this purpose. By a unique process which required years to perfect, this steel is converted into Gillette double-edged wafer blades, uniform in temper, and with the most perfect shaving edge in the world.

Each blade is good for an average of more than 20 smooth, delightful shaves without stropping. When dulled throw away as you do a used pen. A new blade inserted in a second.

No Stropping. No Honing. Always Sharp.

50,000 double-edged blades a day are turned out at our factory—100,000 shaving edges—the strongest evidence that Gillette Razors are widely used and appreciated.

Every man should secure a Gillette Razor. Satisfaction guaranteed or money refunded on our 30 Days' Free Trial Offer. Most dealers make this offer; if yours won't, we will.

Prices: Triple Silver-plated Set with 12 blades, \$5; Standard Combination Set with Shaving Brush and Soap in Triple Silver-plated Holders, \$7.50; Extra Blades, 10 for 50c.

Sold by all Drug, Cutlery and Hardware dealers everywhere. Send today for our handsome illustrated booklet.

Gillette Sales Company, 207 Times Bldg., New York

September in the Adirondacks

No finer place can be found than the Adirondacks in September.

The air is cool and bracing, the scenery beautiful and the sense of perfect rest that comes with the night is delightful.

This wonderful region is reached from all directions by the

"America's Greatest Railroad"

For a copy of "The Adirondack Mountains and How to Reach Them," send a two-cent stamp to George H. Daniels, Manager General Advertising Department, Grand Central Station, New York.

A printed copy of the specification and drawing of any patent in the foregoing list, or any patent in print issued since 1843, will be furnished from this office for 10 cents, provided the name and number of the patent desired and the date be given. Address Munn & Co., 361 Broadway, New York.

Canadian patents may now be obtained by the inventors for any of the inventions named in the foregoing list. For terms and further particulars address Munn & Co., 361 Broadway, New York.

WINCHESTER

Rifles Are Reliable

Reliability, strength and accuracy are the cardinal virtues in a hunting rifle. Success and safety often hinge upon them in big game shooting. Winchester rifles possess these virtues to the fullest extent, being reliable in action, strong in construction and accurate in shooting. Winchester rifles and Winchester make of cartridges are a combination that always gives satisfaction. They are made for one another.
