---	-------

A printed copy of the specification and drawing of any patent in the foregoing list, or any patent in print issued since 1863, will be furnished from this office for 10 cents, provided the name and number of the patent desired and the date be given. Address Munn & Co., 361 Broadway, New York.

Canadian patents may now be obtained by the inventors for any of the inventions named in the foregoing list. For terms and further particulars address Munn & Co., 361 Broadway, New York.

# WINCHESTER

## .32 Special Caliber Rifles for Smokeless or Black Powder

Sportsmen who want to confine themselves to one gun and still be able to use either high or medium power ammunition as occasion demands, will find the Winchester Model 1894 .32 Special just the rifle they have been looking for. It shoots a smokeless powder cartridge more powerful than the .30 Winchester or a black powder cartridge of the .32-40 class equally well. These rifles are made in styles and weights to meet all tastes.

Winchester Guns and Winchester Ammunition are Made for Each Other

## How to Construct An Independent Interrupter

In SCIENTIFIC AMERICAN SUPPLEMENT, 1615, A. Frederick Collins describes fully and clearly with the help of good drawings how an independent multiple interrupter may be constructed for a large induction coil.

This article should be read in connection with Mr. Collins' article in SCIENTIFIC AMERICAN SUPPLEMENT, 1605, "How to Construct a 100-Mile Wireless Telegraph Outfit."

Each Supplement costs 10 cents; 20 cents for the two. Order from your newsdealer or from

**MUNN & CO., 361 Broadway, New York**
