Let Us Arrange a Month's Test of Prest ①

for Your Automobile Pay Us Nothing If Not Satisfied

Simply write us a postal and say y. u want to try Prest.

Lite, and we'll have one of our 400 stations put a truk on for you; connect it, and have your lights going in five minutes.

Why, Mr. Moterist, after a month's trial of the easy Prest-tite system you'll wonder why you didn't have it on your car a ago.

y lt—prove it—it will not cost you a penny if it doesn't cone you that it is invaluable. Look on any good car you see—
will be a Prest of Lite tank on the running beard. That's our
testimonial.
rite us to 4ay—try it on your car.

The Prest-O-Lite Co.

Dept. 75, 18-24 So. East St., Indianapolis, Ind.

A printed copy of the specification and drawing of any patent in the foregoing list, or any patent in print issued since 1863, will be furnished from this office for 10 cents, provided the name and number of the patent desired and the date be given. Address Munn & Co., 361 Breadway, New York.

Canadian patents may now be obtained by the inventors for any of the inventions named in the foregoing list. For terms and further particulars address Munn & Co., 361 Broadway, New York.

What You Get When You

You get a car as scientifically designed and as perfectly finished as if the reputation of this, the greatest automobile establishment in the world, depended upon that one car.

This painstaking care dominates to the smallest details of Cadillac construction—in the engine it is so apparent that the minutely-accurate finish of this vital part has made it a signal triumph in automobile manufacture.

The Cadillac Runabout and Light Touring Car are fitted with our wonderful single-cylinder engine, to which the dependability and remarkably low cost of maintenance of these models are chiefly attributable. By its great power, speed and hill-climbing ability, this engine proved itself so worthy in thousands of cars during the past four years that it will be used in 1907 practically without change—a fact which alone places the serviceableness of this year's cars beyond

Don't fail to get a demonstration—you will be surprised how great are the possibilities of the "Car that Climbs."

Model K Runabout-10 h.p.; neat, trim Victoria body; 30-inch wheels; \$800. Model M Light Touring Car - Illustrated below 10 b. p.; graceful straight line body; \$950.

Model H Four-cylinder, 30 b. p. Touring Car; \$2,500. Model G - Four-cylinder, 20 h. p. Tour-ing Car; \$2,000.

All prices F. O. B. Detroit; lamps not included.

Upon request we will send fully illustrated Booklet N. also address of nearest dealer.
