

The ELGIN Era

The watch by which the hour-to-hour progress of this remarkable age is timed.

Used by men of action—women of initiative—people who don't stop.

An ELGIN WATCH is the favorite of the punctual—a companion of ideal habits. Grades differ—prices differ, according to jewels and metals.

The G. M. WHEELER GRADE ELGIN is moderate in price, with a fame earned by years of service.

"The Watch that's Made for the Majority."

Adjusted to temperature—with 17 jewels and micrometric regulator.

ELGINS of equal grade and reasonable price for women—desirable new models.

ELGIN NATIONAL WATCH CO.,
Elgin, Ill.

Technical Literature

Every reader of the SCIENTIFIC AMERICAN should also be a reader of

A Monthly Review of Current Technical Publications a large 64-page illustrated journal giving its readers, in more or less condensed form, the BEST literary material of general interest appearing in the current technical publications of America and Europe, as well as much valuable information found in daily papers, trade pamphlets, society proceedings, speeches and lectures, etc. The

"Index to Articles in Current Technical Periodicals" gives a classified descriptive listing of all the articles of importance appearing in the current technical press, brought down to the first of the month of issue.

"An indispensable publication for engineers and other technical men, and one of the most instructive ever published for general readers who wish to keep in touch with modern industrial progress."

One Hoxie Bullet

see that Ball?

Kills

No other bullet mushrooms so perfectly on flesh. That ball insures it. One shot tears a deep wound, which kills at once. If you use Hoxie Bullets for big game, you'll come back with the game, not a story. A 30 Cal. Hoxie will kill any game in America, saving you rifle weight, ammunition and game. The most successful sportsmen are enthusiastic about Hoxie. Ask your dealer, or write direct. An instructive booklet for your name and address.
